

Clinical Lab Test and Fee Schedule

Please call the billing office to set up an account before ordering testing.

Billing office phone number 610-925-6400.

Please separate plasma if possible before shipping.

Ship on cold packs.

(*) Sample requires no special handling.

Call the Lab for current pricing and species availability.

Test name	Test fee	Sample type	Special requirements/comments
Albumin	\$17.10	Green top (Heparin)	*
Ammonia	\$44.55	Green top	Samples must be delivered to the lab within five minutes of being drawn. Please contact the lab before drawing
AT III	\$49.50	Blue top (Sodium Citrate)	Tubes must be filled with the appropriate amount of blood for accurate results.
Bile Acid	\$25.20	Red Top	*
Bilirubin (Total and Direct)	\$21.60	Green top	Samples must be protected from all light sources. (Wrap tubes with a paper towel; please do not use tape. The covering needs to be removed to view the plasma.)
Blood Parasites			
Anaplasma	\$18.00	Lavender top (EDTA)	Slide evaluation only
Mycoplasmaheamollama	\$18.00		
Blood Urea Nitrogen	\$14.40	Green top	*
CBC, Complete Blood Count	\$19.80	Lavender top	CBC includes differential and PCV TS
Cholesterol	\$17.10	Green top	*
Colloid Oncotic Pressure	\$17.55	Any Plasma	COP currently not available
Creatinine	\$17.10	Green top	*
Cross Match	\$81.00 (three donors)		One ACD yellow top tube, and one red top from each donor and recipient, and one lavender top from each donor.
CSF protein	\$17.10	Red top	*
CSF cell counts	\$28.80	Lavender top	*
Cytologies:			
BAL	\$65.70	Lavender top	All cytologies must have a history and source. Please fill out separate Cytology form for each submission.
Corneal Scrapings	\$65.70	Slides	
CSF	\$75.60	Lav. and Red top	

Peritoneal	\$65.70	Lavender top	
Thoracic	\$65.70	Lavender top	
TTW	\$65.70	Lavender top	
D-Dimer	\$22.50	light blue top	Tubes must be filled with the appropriate amount of blood for accurate results.
Electrolytes:			
Calcium	\$18.90	Green top	
Chloride	\$14.40	Green top	
Ionized Calcium	\$18.90	Green top	
Magnesium	\$19.80	Green top	*
Phosphorous	\$14.40	Green top	
Potassium	\$14.40	Green top	
Sodium	\$14.40	Green top	
Enzymes:			
AST	\$22.50	Green top	
Alk. Phos.	\$22.50	Green top	
CPK	\$25.20	Green top	*
GGT	\$22.50	Green top	
SDH	\$37.80	Red top	
Fecal Occult Blood	\$10.80	Feces	*
Fecal Exam (O/P)	\$25.00	Feces	*
Fibrinogen	\$19.80	Blue top	Tubes must be filled with the appropriate amount of blood for accurate results.
Glucose	\$15.30	Green top / Gray top	*
Glucose Tolerance (9 samples)	\$86.85	Green top / Gray top	Label all tubes with the times of being drawn.
IgG (Equine, Camelid)	\$35.10	Green, Purple, or Red	*
IgG (Bovine)	\$12.60	Green, Purple, or Red	*
Packed Cell Volume (PCV)	\$10.80	Lavender top	*
Platelet count	\$22.50	Lavender top, light blue top.	*
Profiles			
Equine	\$53.10	Green top	Na, K, Cl, CO ₂ , Creat, Ca, Phos, Gluc, Tp, Alb, TBili, AST, CK GGT
Bovine	\$53.70	Green top	Na, K, Cl, CO ₂ , Creat, Ca, Phos, Gluc, Tp, Alb, TBili, AST, CK GGT, BUN, Chol, Mg
Liver	\$41.40	Green top	Alb, SDH, TBili, DBili, GGT, Chol, Trig. SDH requires submission ≤ 3 hours. Red top only
Renal	\$37.80	Green top	Creat, Phos, Na, K, Cl, Ca, TCO ₂
Flex 4	\$33.33	Green top	Four tests from the chemistry section can be chosen (does not include SDH, Bile Acid, or IgG)
Coagulation	\$131.50	Light blue top	Fibrinogen, PT, APTT, ATIII, D-Dimer. Platelet count, FDP

PT	\$21.60	Blue top	Tubes must be filled with the appropriate amount of blood for accurate results.
PTT	\$21.60	Blue top	Tubes must be filled with the appropriate amount of blood for accurate results.
RBC (Red blood cell Count)	\$17.10	Lavender top	Instrument count only (ICO)
TCO₂	\$17.10	Green top	*
Total Protein	\$17.10	Green top	*
TP (Total Solids)	\$10.80	Lavender top	By refractometer
Triglycerides	\$15.30	Green top	*
Therapeutic Drugs:			
Amakacin	\$26.10	Green top	Both peak and trough must be delivered to the lab together (unless requesting peak only).
Gentamicin	\$26.10	Green top	Both peak and trough must be delivered to the lab together (unless requesting peak only).
Digoxin	\$49.50	Green top	
Quinidine	\$49.50	Green top	
Urinalysis	\$19.00	Urine (10 ml)	In a urine / fecal cup, or a large red top. (Please no syringes)
Urine Chloride	\$25.20	Urine (10 ml)	In a urine / fecal cup, or a large red top. (Please no syringes)
Urine Creatinine	\$19.80	Urine (10 ml)	In a urine / fecal cup, or a large red top. (Please no syringes)
Urine GGT	\$22.50	Urine (10 ml)	In a urine / fecal cup, or a large red top. (Please no syringes)
Urine Ketones	\$10.80	Urine (10 ml)	In a urine / fecal cup, or a large red top. (Please no syringes)
Urine Potassium	\$25.20	Urine (10 ml)	In a urine / fecal cup, or a large red top. (Please no syringes)
Urine Sodium	\$17.10	Urine (10 ml)	In a urine / fecal cup, or a large red top. (Please no syringes)
WBC (White blood cell count)	\$17.10	Lavender top	Instrument count only (ICO)
